## Woman Suffrage and Politics The Inner Story of the Suffrage Movement

By Carrie Chapman Catt and Nettie Rogers Shuler

Written after the passage of the Nineteenth Amendment and published in 1923, "*This book's essential contribution must be sought in its revelation of the bearing of American politics upon the question of woman suffrage.*"

The book traces the history of the women's suffrage movement in the United States from 1848 through 1920. The Nineteenth Amendment to the Constitution giving women the right to vote was passed in Congress on June 4, 1919 and ratified on August 18, 1920. (Summary by J. M. Smallheer)
